

# David Volk

## Ground Operations Director

**David “Terminator” Volk** is a United States Marine Corps Combat Veteran with distinguished service in Saudi Arabia and Kuwait during Operation Desert Shield/Desert Storm. Other operations outside the continental United States include countries Oman, Okinawa Japan, the Philippines and Panama.

As a hard-charger, David is the perfect choice as our boots on the ground to manage marine entry and exit points as well as hotel and marina operations.

Terminator, our Ground Operations Director (or G.O.D., as we sometimes call him), will make sure you and your fellow troops get to where you need to be before and after your amphibious mission.
