

Koryn Avan Carver

Milwaukee, WI

I've always loved the water and have been swimming my whole life. When I went to school on the East Coast, I had the opportunity to scuba dive off the coast of New Hampshire and sail on the Charles River. Last year I enjoyed life guarding and teaching swimming with the Milwaukee Recreation Department.

Although I've always been drawn to the water, the Great Lakes in particular, I am relatively new to the open water swimming experience. I am excited and honored to be participating in the Edmund Fitzgerald Memorial Swim!
